Grandinote offers the extension up to 5 years of warranty on this product. This warranty is in addition and not in replacement to the warranty under law. The warranty concerns the repair and / or the replacement of all damaged parts not subject to wear. The warranty doesn't concern eventual damaged parts subject to wear (ex. switches, relays, speaker drivers, connectors, capacitors, fuses...) The customer must respect all warnings described in Grandinote user manual. The warranty doesn't include the shipping costs. To validate the warranty, it's necessary to return the present certificate duly filled to Grandinote, respecting the following conditions:

- All parts of this document must be completed.
- This certificate must be accompanied by invoice or purchase receipt copy.
- This certificate must be returned to Grandinote within 30 days from the purchase date.
- This certificate and purchase invoice can be returned to Grandinote by regular post or e-mail.

The warranty extension will be approved only if all the above conditions are respected. Warranty extension is available only in the country of purchase. The invoice is the prove. Warranty extension is not transferable from one country to another and is nominative. Exceptions must be communicated Grandinote that will consider the transfer to a third parts.
